**WARNING:**

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

## 8. STATEMENT

ASSIGNMENT

WHEREAS, WE:

EMMANUEL KANTERAKIS, a citizen of Greece, residing at

740 Hoover Drive  
North Brunswick, New Jersey 08902

and

KOUROSH PARSA a citizen of the United States, residing at

12 Amherst Road  
Riverside, Connecticut 06878

as assignors, have made an invention entitled:

PRE-DATA POWER CONTROL COMMON PACKET CHANNEL  
for which the patent application has been filed and has serial  
no. 09/275,010 and filing date of March 24, 1999.

WHEREAS,

Golden Bridge Technology, Inc.

a corporation of New Jersey, whose post office address is

185 Route 36  
West Long Branch, New Jersey 07764

as assignee, is desirous of securing the entire right, title,  
and interest in and to this invention in all countries  
throughout the world, and in and to the application for United  
States Letters Patent on this invention and the Letters Patent  
to be issued upon this application;

NOW THEREFORE, be it known that, for good and valuable  
consideration the receipt of which from assignee is hereby  
acknowledged, we, as assignors, have sold, assigned,  
transferred, and set over, and do hereby sell, assign, transfe

and set over unto assignee, its lawful successors and assigns, our entire right, title, and interest in and to this invention and this application, and all divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of such application, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof, and we hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, WE HEREBY covenant that we have full right to convey the interest assigned by this Assignment, and we have not executed, and will not execute any agreement in conflict with this Assignment;

AND, WE HEREBY further covenant and agree that we shall, without further consideration, communicate with assignee, its successors and assigns, any facts known to us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title of this invention in said assignee, its successors and

assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the assignee, its successors and assigns.
